February 2010

Salutations to Friends, Pastors and church families,

February has been an interesting month in Ukraine. We have had the premium delight of the local “El Gestapo” pay a visit to our home. It turns out that we weren’t registered. Meanwhile, I’ve contacted the embassy, who said it’s the responsibility of the Landlord to register it’s tenant. The policeman told the lady at the US embassy that she’s wrong. So after the Embassy gets the facts straight with the housing department, She calls me back and tells me that the embassy didn’t have the correct information! We, are currently in the process of registering, and Lord-willing everything will turn out okay, we will find out in a week.

While evangelizing, We usually run out of tracks or come close to it every time. Despite the cold, the tracks are well received and some stop to talk. I got to witness to a couple of men, one who was Ukrainian and the other was an old German, both spoke English fairly well. But both refused the truth of the gospel. We’ll keep plodding along!

I still plan to make good on sending Joanna’s CD out, but I’m not sure what happened to them in the mail. A search request has been issued for them at the post office, hopefully they will turn up.

Thanks for your faithfulness and being a blessing to us!
