June 2010

Dear Pastors and Friends,

We just got back from a trip to Rubchenkee, Monday the 28th. We all went down as a family and Yuroslav went with us. We had supper and a devotion out of Psalms chapter one with one of the families that got saved from the tent evangelism last April. We met Ivan for the first time, he is the older brother of Uri and Misha. It turns out that he was visiting, too, and he lives in Kiev! Please pray that he will receive the gift of eternal life. He is an assistant manager at McDonalds' and he has a good demeanor.

We have a vehicle now! We had some more seats put in in order to take more people to church, events, etc. The Lord has used the van twice already, the van was put to use carrying all the necessary things for Baptismal service that Perry had at a nearby body of water and the van was used to get us to Rubchenkee where we tried to encourage the saints. We are thankful for all the support-every dime from the Lord went to use to help make this purchase possible! It's because of all our faithful supporters and for those who gave extra especially for this purpose! We wanted to send a "BIG" "Thank you!" from us to you.

Please pray for the following: Tent evangelism in Rubchenkee from the 12th –16th, local burn clinic ministry, Russian language skills. With Renewed Strength,
The Wiles Family
