Mid-August thru Mid-September

A few weeks ago after jogging, a man came up to me and gave me a tract. I talked with him for about 30 minutes. According to Tim, the rapture will happen on May 11, 2011 and the end of the world will occur Oct. 11, 2011. He told me he didn't go to church because the church is gone! On May 21st, 1988 God finished using the church and now the Man of Sin is ruling. Tim got his "revelation" from spiritualizing Genesis 7:4-11 and using unsubstantiated chronological dates and then referring these dates back to our calendar (which has been changed!!!) .

My Grandpa Charlie has stage 4 cancer and not much time left. I've witnessed to him a couple of times pretty heavy, and was thrilled to see my other relatives telling Grandpa he needed to put his trust in Jesus Christ! It was really great to see my aunt from Texas and two other relatives from Ohio, both older than me, giving Grandpa the truth while we prayed in the backyard. If you could please pray that Charlie Burnum will get saved soon—before it's too late—we would greatly appreciate it!

We had a good time filling in for a pastor and fellowshiping with the saints at a meeting in Tennessee. We traveled back to Ohio that Sunday night. On Monday, my mom called me and told me, "Joey got saved!". I've been praying for my brother about 12 years for salvation!! What a blessing that he got saved!!! I went over to his house and he told me all about going forward that Sunday! And then he said, "I'd like to learn some more about the Bible...could you teach me some things?"!!! I felt like I was dreaming or something! It was making me wonder if it was really happening! Please pray for his christian growth!

While we were in Pennsylvania with "Cuddy", I was able to help with the laying of brickwork and painted some tar on the exterior bricks of the new edition to the current church building. The Lord used the time spent with Cuddy to remind me of the importance of prayer and gave me some ideas for the ministry over in Ukraine and Russia. We preached the evening service at Pastor Dragnac's, and a young lady got saved! Her name is Jesse Hooke—please pray for her to grow in grace.

Pressing Forward!
