Mid-June to Mid-July

Dear Pastors, Churches, and Friends,

We've had some minor trouble, though looking back at the "accident", they could have been much worse. The accident happened on a winding road in Maine, I got distracted and ended up in the drainage ditch driving at a 45 degree angle! By God's grace I corrected the van back onto the road, but not without damage to it. The insurance co. totaled the vehicle. We are going to buy the vehicle back from them, and try to fix the major repairs to get it on the road again. We have 5 months of deputation left, our prayer is that the vehicle will make it the rest of the way. Lord-willing it will all work out to good! We are thankful that no one was hurt and we are all in good health.

While we have been here on our extended stay in Maine, we've been able to help distribute the gospel at a town festival. In Massachusetts, we helped pass out booklets of the gospel of John and Romans. (The church had a total of 25,000 of them.) Pastor Kee let me preach in his church in place of two meetings we were supposed to have in the Mid-west, and he gave me the opportunity to speak about Ukraine and Russia on his weekly radio program.

We had an encouraging visit with Mark Bessette, "the Bishop of R.I." Pastor Bessette, let us stay with him and he is fixing my Bible at his leather-shop. His Shop, though not completely finished, has already opened doors to minister the gospel to folks!

At a meeting in Massachusetts, we were in Salem, and Dan Landry decided to stop and do some street-preaching. Some women dressed like witches chanting, "Wicca, wicca, etc." came up and "baptized" him with a gallon jug of water! It didn't put Dan's fire out—he just kept preaching the word! Amen!

A final note, We have all our passports now! Praise the Lord!  
Many thanks to all who have been hospitable to us!!-The Wiles Family
