End of November

We have been producing our newsletters in the middle of the month. We will now be sending it out toward the beginning of each following month, and the newsletter will brief pastors, churches, and friends on what has transpired during that month. The newsletter will go out monthly, with the help of Jon and Debbie Richmond.

On the 15th of November, We had a very good time with the Pastor and the church. Pastor Williams let me teach Sunday School and preach the morning service. At the end of the service, a young man stayed behind and talked with the pastor. The pastor told me that the young man's name was Caleb, and that Caleb had just received the Lord Jesus Christ as his personal saviour! The church had been praying for him for a while! Please pray for Caleb's growth.

On the 22nd of November, we had a meeting in southern Ohio with Pastor Howell. Pastor Howell was in St. Petersburg, Russia, as a missionary, several years ago. He was able to "enlighten" us on some of the things that go on over there. It was neat to see the Lord work that out—we were able to get "some words for the wise" just before we head over.

Some friends of ours are trying to finish up the CD's of Joanna's singing. If we don't get them in time before we leave for Ukraine, we have some other friends that are willing to mail them out for us.

Lord-willing, we will be leaving for Kiev, Ukraine very soon. We'll leave out at 2:00 pm (Dec 7th) and get there close to 2:00 pm on the following day (Dec 8th).

Yesterday, I was at Fedex/Kinko's to mail out some Russian tracts to a brother in Ukraine and a Russian came in at the same time. I was able to lighten the shipment a little by giving him one of the tracts! Haha!

Lastly, There are about half a dozen churches that said they would be taking us on for support. If they can commit we will be at 100%! Please pray that they will follow through. -The Wiles Family
