Mid-October thru Mid-November

I'm thankful to those who prayed for my Grandpa. He passed away last Saturday. He didn't have to go through months and months of pain. The Lord was very merciful.

Near the end of October, we had a meeting in Florida. The pastor there has a small work and is "living by faith". He doesn't have a salary of any kind. He was out street-preaching a couple of days before we arrived, and a man pulled up next to him and gave the Pastor a one-hundred-dollar bill. That one-hundred dollar bill became our love-offering, which helped pay for our trip up to Toledo, Ohio!

The two missions conferences that we were a part of in October stated that it would be their goal to take us on as soon as they could, for which we are thankful. The missions conference that we were at last week, which was in New York, voted to take us on after the last service! It was a real blessing! The folks came up to us, extending the right hand of fellowship and congratulations, and welcomed my family into their church family!

While traveling through New York, I had some brake trouble. I contacted a missions director, Seth Garland, who just happened to be with a couple of good brothers (did I say "good"?...I meant GREAT!!) who were working on the church buses at the church. I got off the interstate and headed for the church. We pulled into the church's garage and the two brothers hustled over and, in typical Nascar fashion, jacked up the van, then with a pneumatic drill, dismounted the tire, took off the old brake pads and put on the new ones. Next, they put the tire back on the van and then hustled back to work on the buses. I'm very thankful for God's provision!

Also, It looks like an apartment may be in the works—a 3 bedroom, fully-furnished apartment for the amount we've been praying. One last thing: Lord-willing we'll pick up our visas in Washington, D.C. Wednesday! Thanks for the continued Prayer! -Rick, Joanna, Silas and Paul
