Missionaries to...

UKRAINE

and

RUSSIA

Mid-September to Mid-October

Dear Churches and Friends,

This newsletter is a few days behind the usual scheduled time. We've been very busy with some recent traveling from meeting to meeting. I think I'm getting my second wind on the deputation trail, but I am really looking forward to being in Ukraine soon.

We are actually in the south now, and that's where we were in the middle of September. We had some meetings in Alabama and the Panhandle of Florida. The meetings went well—one of the pastors in Alabama said they would probably take us on, after our first term on the field.

From there we traveled north...and I do mean north! We went to Wisconsin and Minnesota. We had good meetings up there and enjoyed our brief time with the ministers and saints. We also had a missions conference in New York, where the church will take us on. We had a real good time staying with the missions director and presenting the ministry to the church folks.

We most likely would not be in the south right now except for what the Lord allowed to happen. I had planned on spending the rest of the month in Wisconsin. However, we had two cancellations in Wisconsin, and the same week I received a telephone call on one cancellation, a pastor who has a church in the south invited us to come and present at his church. While we're down here, we are going to try and make a CD of Joanna's singing. Lord-willing, we will get this accomplished and send the CD's out to our supporting churches, and those who would like one, within the next couple of weeks.

Our van has held up pretty well, for which we are thankful. Gospel tracts have been received well lately. The veteran missionary we will be working with initially over in Ukraine is looking for an apartment right now for us. We are still planning to leave in December. Please keep these things in your prayers. Thanks very much, The Wiles Family
